RESPONSE

Sir:

These remarks are responsive to the Final Office Action dated April 25, 2002. Claims 1-46 are pending in the present application.

The Examiner rejected claims 1-46 under 35 U.S.C. §103(a) as being unpatentable over "Resumes.com" web site (www.wwwresumes.com) and "ResuMaker" online resume creation database (www.wwwresumes.com/resumaker/index.html) in view of Microsoft Word 2000.

Applicant disagrees.

The present invention relates to creating a user customized resume web page using an online guided resume creation system, whereby the user can dynamically change the resume style with a single command. The style of a resume refers to its appearance, i.e. its look and feel.
